Dear Judenite Parents/Guardians,

Greetings!

Our school aims to provide our children, activities that will help them benefit from academic challenges, discover their strengths and prepare them for the pursuit of higher learning. In line with this objective, we accept the invitations of independent institutions that particularly choose us as one of the participating schools in their important mathematical events.

We are pleased to inform you that we are once again given an opportunity to assess our children's mathematical skills and fluency through **The E.nopi Invitational Math Competition 2009**. The interested participants may get the Entry Form from the Cashier upon payment of Registration Fee of Php 250.00. Please submit the duly accomplished form with 1.5 x 1.5 recent ID picture to Miss Thelma R. Mendez in the Subject Area Coordinators Office **on or before September 2, 2009**.
